Vážení,

Státní zdravotní ústav (dále jen „SZÚ“) obdržel dne 30. listopadu 2022 Vaši žádost podle zákona č. 106/1999 Sb., o svobodném přístupu k informacím, ve znění pozdějších předpisů (dále jen „InfZ“):

*„aktuálne riešime problém obľadne dostupných dát o serotypovom pokrytí pred plošným očkovaním na Slovensku. Žiaľ sme krajina, kde pred zavedením plošnej imunizácie neprebehol zber dát, dáta exisutujú od roku 2011, odkedy funguje Národné referenčné centrum. Potrebovali by sme dáta o serotypovom pokrytí pred začatím očkovania proti pneumokokom v ČR. Vedeli by ste poskytnúť dáta po jednotlivých rokoch za 2007 až 2010?“*

Vámi požadovaná data Vám SZÚ poskytuje v příloze tohoto dopisu.

S pozdravem
